

I want to share my gratitude and appreciation for the overwhelming love and Christian fellowship we experienced this past week at your camp. Wow, your camp is the best kept secret in the North GA Mountains. I know you and each one of your staff played a major role in everything coming together so smoothly this past week.

From your maintenance man running non-stop every day to the kitchen staff going over and beyond the call of duty. To every very single staff (I really wish I could remember each name to personally thank them for every deed). I know ALL of you put in long days with us and served in MANY different capacities each day all across the camp.

THANK YOU to office staff, ALL coordinators for horseback riding, swimming/blob life guards, rock climbing wall, archery, canoeing, rifle range, cooks, dish washers, maintenance/lawn mowing, trash detail, clean up crew, toilet scrubbers, sink/shower cleaners, vacuum detail, window washers, towel washers/dryers, burger griller, band trailer detail, trash taker out and of course your spouses and grandparents that were serving behind the scenes as well. You and your team cover it all leaving nothing undone. Thank You to every single staff member! I mean this from the bottom of my heart! You ALL are a blessing!!!

I honestly have never seen or stayed in such clean and comfortable "summer camp" accommodations in my 16 years of ministry. What a blessing!!! I know each leader and many of the students expressed the same thoughts to me through out the week. I hope and pray our student groups took care of all your buildings/facilities.

The meals were very tasty....honestly off the chart. I know I have never experienced camp food any better. It is evident that Ms Janet and her team take pride in what the kitchen turns out each meal. I didn't hear one complaint about our meals. If anything kids were walking down the steps holding their stomachs talking about how good it was and how much they ate. The way you and your team serve meals and treat everyone is truly not always the norm especially serving 200 people. The campers this week had no clue that this was the biggest group you guys have fed this summer. They were under the impression that this was a normal week for your staff.

I know you were working with limited staff all week. It appeared you had your entire staff on the scene from the time we arrived Sunday till we drove off Thursday morning. Please don't think what you do goes unnoticed because trust me when I say, "I have been to my share of student camps all over America and have never been treated as well as we were at Strong Rock Camp" this week. Each one of you was a blessing!!!

I know you guys run a very busy camp with a lot of activities through out the year and it would be real easy for you to pull back the throttle and say, "it's just another group" but you guys were on top of everything. Every ounce of hospitality is so appreciated when churches that just drove hours to get there role up and unload for the week. I just appreciate each one of you very much and wanted to thank you for going the extra mile and making our visit to your awesome camp a very enjoyable experience for everyone.

Much Appreciation,  
Allen Scroggs  
Executive Ministry Coordinator
